R.C.No.225/54 dated 4.11.55

Sir,

Sub: Community Development - Basic Agricultural Training School, Pallipuram - Electrification of Buildings - Plan and Estimate submitted.

Ref: G. .Ms.No.2110 Public RDP Department dated 6.7.55.

--oo--

I enclose herewith the plan and estimate for electrifying the buildings, received from the Electrical Engineer (General) [illegible] copy of his reference to the letter from the Chief Engineer (General), Madras.

It is really unfortunate that the work which was sanctioned in the beginning of July could not be taken up so far. Since the original estimate for Rs.16,120/- was already sanctioned, the work could have been taken up earlier.

Anyway I request that the administrative approval may kindly be accorded at the very early date and the Plan & Estimate returned to the Chief Engineer (General) Madras to avoid further delay. I further request that the Electrical Engineer (General) may kindly be intimated to start the work immediately without waiting for the approval of the Revised Estimate by the Government.
